

What is BikeSense?

The best and safest riders know the value of improving their riding standards. Some do this by joining advanced riding clubs or by taking additional riding instruction.

As part of our commitment to reducing motorcycle casualties we are promoting rider development by providing subsidised motorcycle training in association with appropriately trained and qualified instructors. BikeSense is run from several locations across Staffordshire.

We offer a subsidy on your BikeSense Rider Development day so that you only pay £30. Please note that applicants must hold a full licence to attend.

Interested & want to apply?

Application for the subsidy is made through Staffordshire County Council using this application form. You will be given a reference number, which must be provided when arranging instruction on one of the **BikeSense Rider Development days**.

Subsidy is subject to budget and course availability and may vary. Your subsidy will be confirmed once we have received your application.

When riders have completed their BikeSense Rider Development day they will be provided with information on how to use Carole Nash and Devitt insurance to get their £50 refund.*

**For new business only*

For more info call: 01785 276617
Or book online: www.staffssaferroads.co.uk

2017/2018

Application Form

The subsidy is only available to Staffordshire residents. Please write clearly in BLOCK CAPITALS.
