

Staffordshire Fire & Rescue Service HQ
Pirehill
Stone
Staffordshire
ST15 0BS

Staffordshire Fire & Rescue is located on the A34 between Stafford and Stone, approximately 1½ miles North of Stone.

The conference centre, pictured above, is accessed via a drive off the A34, circled on the map.

From the North – head through Stone on the A34. At the roundabout where the A51 branches off to the left, Stone Business Park on the right, continue along the A34 heading for Stafford. Just after this roundabout look out for a lay-by on the left followed by a farm with a pond. The driveway for the Fire HQ is situated on the right just after the farm. (Suggest you move into the right hand lane, when safe, after passing lay-by)

From the South – head along the A34 from Stafford. Once you pass the Greyhound Pub at Yarlet, on your right, the drive for Staffordshire Fire & Rescue HQ will be on your left, approx 1.2 miles past the pub.

Car park – please follow signs for the visitors car park which is situated behind the conference centre.
